Welcome to Grade One!

I look forward to seeing you all on the first day of school and am so excited to be your Grade One teacher! Here is a little bit about myself:

Teaching is an absolute passion of mine! Over the past couple of years, I have taught grades 6, 4 and 2. This year will be my second year teaching grade 1! I feel incredibly blessed and privileged to be part of this Christian Education Community. I value being able to teach from a Christian perspective and encouraging my students to become inquisitive lifelong learners! Grade one is an exciting year for students as they learn to read and become creative writers! I look forward to providing opportunities for students to learn hands on and discovering God's presence in all that we do!

Art, volleyball, camping, and spending time with family are only a few things I like to do with my spare time! My husband Andy and I have been married for almost four years now! Andy works on the family farm and I enjoy helping out when I can. I can't wait to coach volleyball again and get involved in other school events. Here's to an awesome year getting to know each other!
