

Hello Grade 3 Parents,

This is my first year at NPCCS and I am so enthused to be a part of this school and community! This will be my second year teaching Grade 3 and I could not be more excited. I recently moved to Barrhead, I am married and have a 3-month old kiddo at home. I love the outdoors, especially camping, hiking, fishing, and canoeing, and I hope to own a small hobby farm one day soon. I am very passionate about education and helping young people acquire the skills they need to be successful in their futures. This is going to be another great year building on previously learned skills and learning new concepts. I look forward to meeting you all in the fall, in the meantime I hope you all have a wonderful, restful summer break.

The following is a list of supplies each student going into Grade Three will be expected to have for the next school year. Please LABEL all items and bring along the first day of school, Sept. 4.

Sincerely,
Jason Ferster
