

Hello Grade 3 Parents,

This will be my sixth year of teaching, but my first at NPCCS. Having lived in this community for the past 5 years, I am excited to teach in a place that I call home. My husband and I own a small hobby farm south of Neerlandia, where we are currently raising our son alongside some animal friends. For the past 5 years I have taught grade 1 in Westlock, followed by 4 years teaching grades K-9 at Pibroch Hutterite Colony School. The past four years at the colony have taught me a lot about myself as a teacher. I am passionate about my students and truly believe that each child brings something special to the classroom. I grew up loving school and learning and my goal is to transfer that love for learning and discovering new things to each student I teach. I very much look forward to getting to know you and your child as we embark on our learning journey together this fall. Until then, have a fun, safe and restful summer!

The following is a list of supplies each students going into Grade Three will be expected to have for the next school year. Please LABEL all items and bring along the first day of school, Sept. 3rd.

Sincerely,
Laura Mast
