

Pre-school Activity Permission Form

The Neerlandia Pre-school class will be participating in activities in the gym and kindergarten classroom throughout the 2020 - 2021 pre-school year.

This form must be read and signed by every parent or guardian who wishes their child to participate in these activities.

A. Elements of Risk:

Educational activities such as running, walking and playing involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injury which may result from participating in gym activities and playing in the kindergarten classroom:

1. scrapes and bruises
2. sprains
3. broken bones

The risks of sustaining these types of injuries result from the nature of the activity and can occur without fault of either the student, the teacher, the parent helper, the Christian Education Society, or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that your child may be injured. The chance of an injury occurring can be reduced if the child carefully follows instructions at all times while engaged in the activity.

If you choose to allow your child to participate in gym activities, playground activities, and classroom activities during the year, you must understand that you bear the responsibility for any injury that may occur.

B. Acknowledgement
