*Student planners will be available.

****If you used School Start to order your supplies the deadline for online orders is Aug. 1 (late fees apply after this date). These will be delivered to your physical address (no PO Boxes)****

Have an awesome summer! We look forward to seeing you in grade one in the fall!

Sincerely,

Mrs. Renee Rentz and Mrs. Laura Mast

Welcome to Grade One

I look forward to seeing you all on the first day of school and am very excited to be your Grade One teacher! Here is a little bit about myself:

I have been teaching for 7 years, 5 of which have been at NPCSI! Over the course of my teaching career I have taught grades 6, 4, 2 and 1. This year will be my fourth year teaching Grade One!

I feel incredibly blessed and privileged to be part of this Christian Education Community. I value being able to teach from a Christian perspective and encourage my students to become inquisitive lifelong learners! Grade One is an exciting year for students as they learn to read and become creative writers! I look forward to providing opportunities for students to learn hands on and discovering God's presence in all that we do!

Art, volleyball, camping, and spending time with family are only a few things I like to do with my spare time! My husband Andy and I have been married for almost six years and enjoy farming together!

I look forward to another year of learning with students and parents! I hope you have a great summer and I look forward to seeing you all in September!

Mrs. Rentz

Welcome to Grade One

I can't wait to see you in the fall and have you join my class as Grade One students! Here is a little bit about myself:

This will be my seventh year of teaching, but my second at NPCS. I am excited to spend this next year at school after being at home for most of last year on maternity leave. My husband and I own a small hobby farm south of Neerlandia, where we are currently raising our kids (Keith, 2.5 and Marie, 8 months) alongside some animal friends. We love spending time together whether it be outside exploring, going on tractor rides, or hanging out with our extended families. For the past 6 years I have taught grade 1 in Westlock, followed by 4 years teaching grades K-9 at Plbroch Hutterite Colony School, and finally last fall teaching grade 3 in Neerlandia. My experience with a variety of grades and teaching scenarios has taught me a lot about myself as a teacher. I am passionate about my students and truly believe that each child brings something special to the classroom. I grew up loving school and learning and my goal is to transfer that love for learning and discovering new things to each student I teach. I very much look forward to getting to know you and your child as we embark on our learning journey together this fall.

Students in my class will have the privilege of working with both myself and Mrs. Rentz this year! Though most of your child's time will be spent with me, they will also be taught by Mrs. Rentz two afternoons a week. We are looking forward to working together in some of our classes come September! Until then, have a fun, safe and restful summer!

Mrs. Mast
