Dear Parents of Grade Five students:

Many of you already know me as I have been the grade 6 homeroom teacher for the past three years. It has been a blessing to be part of this school and the broader Christian community. My husband, Egbert, and I have been living in Barrhead since 2003. Both Egbert and I were born and raised in South Africa. I obtained a Bachelor of Science in Physiotherapy at Stellenbosch University, South Africa and worked as a physiotherapist for 10 years. I then continued my studies at a later stage and graduated from the University of Alberta with a Bachelor of Education degree. Egbert is a family physician at Barrhead Clinic. We are blessed with 3 children, Stephanie (23), Arend (20), and Karla (18). In our “spare” time, we enjoy reading, camping, hiking, golfing and watching our kids at their various sports events.

I will be teaching all of the grade 6 subjects, except Language Arts. Mrs. Wruk will be teaching the LA component. I look forward to a year of learning and growing through God’s love. Have a great summer and I look forward to seeing all of you on Tues., Aug. 30<sup>th</sup>!

Here is a list of school supplies that each Grade Six student is expected to bring (labeled) on the first day of school. If you choose to use School Start to order your supplies you can order online. These will be delivered to your physical address (no PO Boxes) – see separate note.

Kind Regards,

Mrs. Sonja De Waal
