I can't wait to see you in the fall and have you join my Grade 2/3 class! Here is a little bit about myself:

This will be my eighth year of teaching, but my third at NPCS. I am excited to spend this fall at school after being at home for all of last year on maternity leave. My husband and I own a small hobby farm south of Neerlandia, where we are currently raising our kids (Keith, 4 and Marie, 2 and Joyce, 10 months) alongside some animal friends. We love spending time together whether it be outside exploring, going on tractor rides, or hanging out with our extended families. For the past 7 years I have taught grade 1 in Westlock, followed by 4 years teaching grades K-9 at Pibroch Hutterite Colony School, and finally spending the last 2 years teaching grade 3 and 1 in Neerlandia. My experience with a variety of grades and teaching scenarios has taught me a lot about myself as a teacher. I have taught many combined grade subjects before and I am excited to dive into a combined classroom again! Combined classrooms are such a blessing in that they allow us to appreciate the many talents and ranges of abilities in students across grades, while also discovering new friendships we may not have otherwise. I am passionate about my students and truly believe that each child brings something special to the classroom. I grew up loving school and learning and my goal is to transfer that love for learning and discovering new things to each student I teach. I very much look forward to getting to know you and your child as we embark on our learning journey together this fall.

Students in my class will have the privilege of working with both myself and either Mrs. Strydhorst or Mrs. Thompson this year! Though each of your child's mornings will be spent with me, grade twos will spend their afternoons with Mrs. Strydhorst and grade threes with Mrs. Thompson. Until then, have a fun, safe and restful summer!

Sincerely,

Laura Mast
