Hello, I'm so excited to work with you! I'm Juanita Henschel. I attended Neerlandia Public Christian School myself and was inspired early along the way to become a teacher. I attended The King's University in Edmonton, obtaining a Bachelor of Arts degree followed by an after degree in Elementary Education. My teaching career started in 1998 as a grade one teacher for four years at Bulkley Valley Christian School in Smithers, British Columbia prior to moving back to Alberta. I have been with Pembina Hills School Division since 2004, mostly at NPCS, as a teacher and substitute in various grades. I have a passion for kids and for discovering our part in God's Grand Story in this world where everything belongs to Him. That's the heart of my mission: to guide the Children of the King in exploring and discovering His Story and our role in it.
