## SCHOOL NEWS (CONTINUED)

- \*Grade 9 Jasper Ski trip March 17 - 19, please make sure forms and fees have been completed online.
- \*Our Jr. High Band will be performing at the Barrhead Rotary Music Festival on, Mar. 11th. Their performance is at BCHS at 1:00pm, they will leave NPCS at 12:00pm and return at 4:15pm.
- \*We are celebrating 100 days of school at NPCS on Wednesday, Mar. 25. We encourage students and staff to dress up like 100-year-old citizens, lots of laughs!!

The NPCS front door will be locked on the same schedule as the other exterior doors are locked right now. That means the front door will only be unlocked at the start and end of the day, as well as during recesses.

When the doors are locked, visitors will need to push the call button on the right side of the front door in order to gain access to the school. Someone in the office will either open the door remotely from the office, or they will speak with visitors through the intercom to confirm their reason for coming and then remotely unlock the front door to let them in. This will include giving patrons access to the library, as needed.

## Principal Message

Gary Duthler, a former principal at Neerlandia Public Christian School, consistently reminded us that we are teaching "Children of the King." That statement has made a profound impact on the way that I teach.

"Children of the King" may sound like a really fun catch phrase, but I believe it is more than a catch phrase: it is Biblically accurate. In 1 John 3:1-2 (NIV) we read "See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!" I believe that God desires everyone to be part of this family, because it says in 2 Peter 3:9 (NIV) "The Lord is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance."

Additionally, we are told in Genesis 1:27 (NIV) "So God created mankind in his own image, in the image of God he created them; male and female he created them." We are image bearers of God, and when we deal with others, we are dealing with His image bearers, and this includes our children.

Knowing that we teach "Children of the King" means that there is a high standard for us to uphold. This evokes an image of raising a princess or a prince, raising royalty, or an heir to a throne. Someone who has a great purpose!

This high standard is reinforced or maybe shown even more clearly, when we read other verses in scripture, including James 3:1 (NIV) which tells us that "Not many of you should become teachers, my fellow believers, because you know that we who teach will be judged more strictly." Even more clearly (and definitely more harshly) we are told in Matthew 18:6 (NIV) "If anyone causes one of these little ones—those who believe in me—to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea." This is a very high standard indeed!

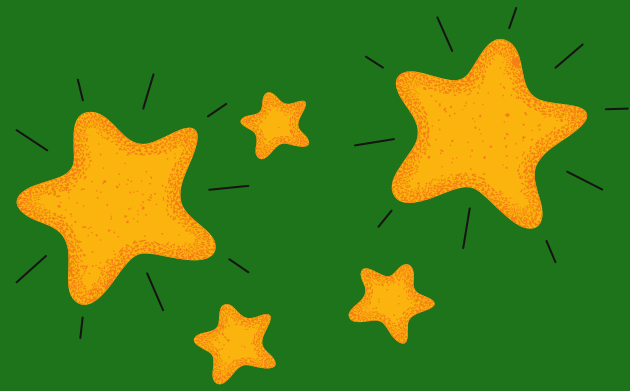

I am not faultless. I have made countless mistakes, yes, even mistakes in leading children. And I know that there are others on staff who have also made mistakes. So who can do this? Who can teach "Children of the King" at such a high standard? Really no one...without God's help. Also, thanks be to God that there is forgiveness for those who are in Christ, even for those who teach the "Children of the King" and make mistakes. Regardless, we will not allow that to give us permission to become complacent.

Additionally, we have an incredible team at Neerlandia Public Christian School, who work together over multiple years, to help teach children in the way that God desires. If one of us unintentionally and unknowingly slips up in directing children, the Holy Spirit will guide someone else on our team to make it right.

We at Neerlandia Public Christian School exist to help children find and grow into the great purpose that each child has, a purpose that is just as important as any monarch in the world.

Please pray for us as we teach the "Children of the King," leading them with guidance from the Holy Spirit, in the high calling that we have received from God. And for you, parents, grandparents and other caregivers, we will pray for you and endeavor to do all that we can to support you in raising your "Children of the King," as God has called you and enabled you to do.
